

# LAKSHA YUVAGALA GITARCHANA

**VISWA HINDU PARISHAT**

with the sponsorship of  
Spiritual, Cultural, Social & Educational Institutions

## **Soulful Invitation**

### **To Youngmen and Youngwomen of India**

Youth force in the age group between 15–40 years who have perfect knowledge of the Eternal truth and consider our Culture and traditions to be of great value are vital to the progress of India. Great personages have selected 40 impactful verses from Bagavadgita for the purpose of collective reading by youth for generating inspiration among them. The verses are aimed at dispelling psychological ills besides improving their will power and training them in the culture that helps them tread the path of progress.

The verses have been musically composed by popular Gita propagator Gangadhara Sastriji. The massive Laksha Yuvagala Gitarchana program in which the youth accompanies the verses to be sung by Sastriji, will be organized in a spacious ground in Hyderabad on the auspicious day of Gitajayanti, the birth anniversary of Bhagavadgita on December 14, 2021.

**We are hopeful that our beloved prime minister Narendra Modiji will grace the grand program.**

We earnestly appeal to the Spiritual, Cultural, Social and Educational Institutions to select the eligible persons who are interested in the study of Gita and offer them adequate teaching and training for making the unprecedented program a roaring success.

Text copies of the 40 verses and the respective audio file to be followed in the Gitarchana program will be made available to the participating individuals and institutions, by the Viswa Hindu Parishat.

**The program is being streamlined so as to be exemplary to the foreigners also across the globe.**
